The Notorious Tom King Singsers a Jailer.

"Tom King" came very near creating a panic in the county jail at Oklahoma City yesterday. Jailer Wiley ordered her out of her cell in order to give it the customary weekly scrubbing when he Thomas appeared clad only in her native modesty and a single under garment. When the embarrassed jailer had recovered from his fright he soon learned that Tom's only dress had given out. During her itinerant mode of life prior to her residence at the jail her stock of feminine wearing apparel had run down considerably and her many admirers have since failed to replenish her wardrobe. A hasty compromise was arranged and Tom went back to her breeches for which she lately showed such preference. One of the other prisoners asserts that Tom would make a great hit in the "Clemenceau Case" or the ballet.
